WRISTBAND REQUIREMENTS FOR EXHIBITOR APPOINTED CONTRACTORS

1. Each individual affiliated with the EAC must wear a correct wristband, prepared and distributed by Show Management. The EAC wristband must be worn all times during move-in and move-out.
2. The process for EAC wristbands will be sent directly to the EAC by Show Management with instructions on how to pick up wristbands onsite with a copy of a valid ID (driver's license, passport, etc.).
3. EAC personnel who require access during show hours must request a show day wristband a minimum of one day prior to the opening of the show. Proper attire must be worn at all times.
5. EAC wristbands are NOT transferable and must be worn at all times on the wrist. Floor managers will spot check all EAC for adherence to this policy and lost EAC wristbands need to be reported to Show Management immediately. Violation of this policy will result in the termination of the EAC agreement with Show Management and all fees paid by EAC will be forfeited accordingly.
6. EAC must refrain from the use of and access to all public areas and are strictly confined to exhibit floor access during move-in and move-out.

Each year, more and more trade show related services are being performed by Exhibitor Appointed Contractors (EAC). We recognize that each exhibitor selects those vendors that they believe will best serve their needs before, during, and after the show. If an exhibitor chooses to employ an EAC we are happy to have them on the show floor, as long as they conform to the rules and regulations of the show and they must also be wearing proper picture ID.

However, along with the growing number of EAC on the show floor, have come numerous added expenses - legal costs resulting from an increase in liability claims, hall damage, excess cleaning charges, and extra administration costs for wristbands, contracting, insurance tracking, etc.

Rather than pass on these added costs to all exhibitors, including those who do not use EAC, we have implemented a formal fee system for Exhibitor Appointed Contractors. Each EAC hired by an exhibiting company must sign an agreement and will be assessed a fee. The fee structure consists of two components and applies to all contractors regardless of the service they provide (labor or supervising).

All EAC groups must have an EAC approval form submitted and on file with Show Management. This applies to all EAC's performing a hired service function in the exhibitor's booth space as well as, all EAC supervising groups.

All hired set up and teardown labor, must be properly hired FB International Labor.

We can not accept requests from the 3rd party vendor only from the exhibitor.
